**CONSTITUTION OF THE
MANCHESTER COLLEGE COMMUNITY**

PREAMBLE

In order to cooperate in promoting the ideals of the Christian-democratic tradition; to emphasize the civic responsibilities and privileges of all members of the campus community; to promote the development of mature leadership; to assist in solving the recurring problems of people who, with common concerns, are bound together in a common enterprise; and to seize upon every opportunity to advance the interests of Manchester College; a Community Government is hereby established.

**ARTICLE I
NAME**

This government shall be known as the
**COMMUNITY GOVERNMENT OF MAN-
CHESTER COLLEGE.**

FACULTY-STAFF

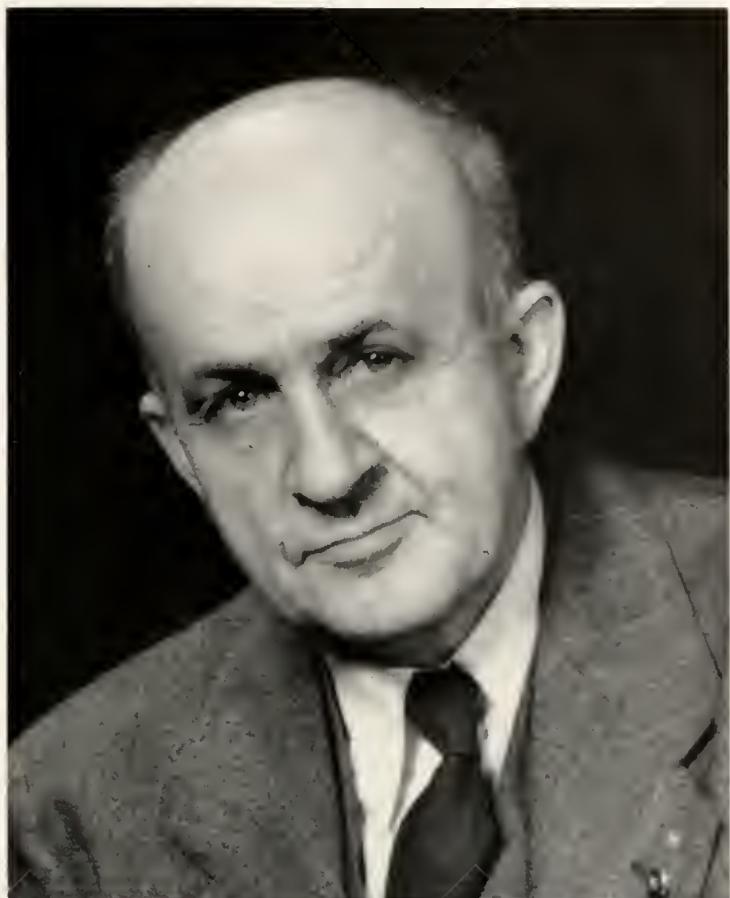

PRESIDENT SCHWALM

With a genuine concern about the general welfare of the college community, President Schwalm has attempted to maintain the traditionally high standards of the college and at the same time help Manchester grow as demands increase. Little do the students know of the work done by the man who is constantly and devotedly working out the administrative, fiscal and developmental policies of our college, so we pay tribute to the man we fondly call "Prexy".

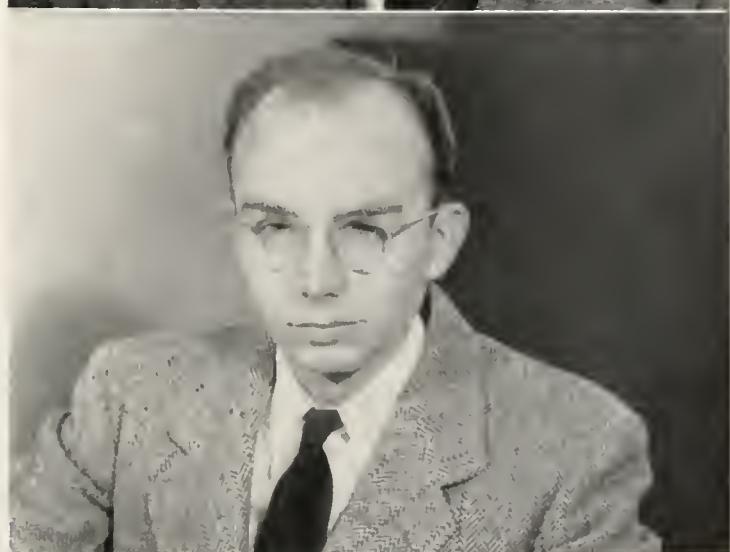

DEAN HOLL

While we appreciate the responsibilities undertaken by the Dean of the College, we will long remember Dean Holl as more than an administrator. In our minds are fastened the memories of his able counseling, his interest in student activities and his down-to-earth manner in chapel, in the hall, in his office and in the classroom. We have appreciated his interest in our welfare and success.

PRESIDENT'S ASSISTANT

Putting into practice his famous statement "Now is the time", Professor Cole S. Brembeck continued his education off campus the first two terms. However, the spring term brought back to us this capable and well-liked assistant to the president.

SENIOR REPORT

Prepared to leave the campus community and become citizens of other communities, the members of the Class of 1950 have the opportunity to put to use the skills obtained through their growth as students at Manchester College. These graduates expect to use technical arts in the fields of education, medicine, business, theology, science and domestic life.

Besides learning how to exercise their skills in various vocational fields, they have learned the values of good citizenship. Experience was gained through the planning of events such as Senior "ditch" day, class meetings and graduation. Seniors occupied positions of leadership in campus organizations, athletics and other community activities.

A specifically valuable experience for the Class of 1950 was their leadership in the planning and initiation of the Community Government through its first year of service.

JUNIOR REPORT

Having spent three years attempting to further their own education and readily accepting responsibilities on the campus, the Class of 1951 consider themselves well qualified to fill the vacancies left by the graduating class of this year. Their responsibilities will have shifted from such important activities as the Junior-Senior reception, raising of the Junior flag on Senior "ditch" day and work on the AURORA to the leadership of the college community through another year of activities.

Selection of the May Queen was the Junior's enjoyable privilege. Although it is the smallest class, the effect of the Junior's growing leadership was felt in many campus activities and committees.

SOPHOMORE REPORT

Becoming more accustomed to the environment of the campus, the Sophomore Class endeavored in every possible way to contribute to the general welfare of the college community. Although burdened by the studies belonging to upperclassmen, they found time to work on various committees, take an active part in organizations and carry the ball in intercollegiate athletics.

They found it fun to bear the responsibility of planning the Valentine banquet and the Freshman-Sophomore outing. With a willingness to try anything, an unlimited amount of energy and infinite enthusiasm to succeed, the Sophomores have taken their place as upperclassmen in the college community.

FRESHMAN REPORT

Drawing its membership from the four corners of the earth, the Freshman Class found that adjustment to the life of the college community was necessary but seldom disastrous. They were confused by the matriculation cards, the Freshman tests, MEM's, options, term papers and grades. As soon as the Freshman had cut through this fog, he found himself face to face with such erudite terms as late leaves, riding permits, the "punch board" and Breakaway.

Freshman projects during the year included the Barks, Acorn, election of the Valentine Queen and the building of displays and floats for various organizations. However, the "Rhinies" met these challenges with enthusiasm and by the end of the year had become thoroughly naturalized citizens of the Manchester Community.

On March 24, 1949, a student-faculty committee composed of Denver Ulery, Bob McFadden, Wesley Simmons, Ruth Graham, Dr. Earl Garver, Dr. R. V. Bollinger and Dr. Harry Weimer presented to the student body plans for a co-ordinated student-faculty-staff government. Then on April 22 after examining and discussing the blueprints, the student body voted to accept the constitution of the new organization and inaugurated the Community Government.

The constitution provided that the representative agency of the Community Government should be called the COMMUNITY COUNCIL and its membership should include six faculty members,

sixteen students, one general staff member and the president of the college as ex-officio. Provision was made so that there would be a fair representation from each class.

According to the constitution, nominations were made and the college community elected the COMMUNITY COUNCIL which chose Denver Ulery as its first president. It then became Denver's duty to execute the duties and powers of the Community Government within its proper areas "within and in harmony with the broad framework of policy set forth and maintained by the trustees and president of the college."

Throughout the year Denver has effectively and conscientiously led the council in its activities which include:

"Religious life—Cooperate in the formulation and maintenance of a constructive religious program for the campus community.

"Social activities—Cooperate with the college administration in planning and scheduling of an adequate social program for the campus.

"Elections—Make provisions for all elections involving campus organizations.

"Publications—Arrange for all student publications.

"Clubs—Set up a system for the commissioning of and the continuing evaluation of student clubs.

"Standards—Share with the administration the responsibility for the promotion and maintenance of high moral and social standards among members of the college community.

"Agent for groups within community—To promote and maintain harmonious relationships among all members and groups within the campus community.

"Inter-collegiate contests—To participate in the formulations of all policies governing inter-collegiate contests.

"Finance—The Community Council shall have power to raise and distribute all funds necessary for carrying out its assigned responsibilities.

"General welfare—To exercise a continuing concern and responsibility for the welfare of the total campus community."

FOOTBALL "49"

Up! Down! Over! Up! One, two, three, four! It was rough. We hit hard in practice; they hit us harder on Saturday. It didn't take us long to see that even with twenty returning lettermen we would really have to work. But with the appearance of three new coaches, spirits were high. Enyeart could slash off tackle like a two ton truck through the campus drive. The line, spearheaded by Overholt, promised to be one of the strongest Spartan forward walls in recent years.

All in all it looked as if we had an even gamble for a winning season. But before the first official kickoff, fate gave us a prevue of the oncoming season by providing us with an abnormally high number of casualties. Nevertheless we entered the first game of the season with confidence.

MANCHESTER 7—TAYLOR 7

We took the field without the services of Caton and before the game was over,

Butts, Overholt, Barnes and Ummel were on the injured list. We showed a lot of drive, but our offensive was too ragged to beat the fellows from Upland. Enyeart scored our lone TD in the first quarter.

MANCHESTER 7—ANDERSON 14

Gillin to Maupin from the three yard line accounted for our side of the score-board. The line followed our expectations and made the Ravens scratch for their two touchdowns. Our chances of victory in this and future games were weakened when Enyeart went out in the first quarter with a dislocated elbow.

MANCHESTER 7—CANTERBURY 18

We should have had this one. Walton and Hostetler speared the attack with Barnes scoring. Farrar, Schwalm, Backus, Petriella and Brubaker effectively held the Knights who managed to score on two intercepted passes and a fumble.

MANAGERS COACHES

If the four horsemen and seven mules make up the backfield and line, then the managers must be the donkeys. But our helmets and uniforms go off to Curly, Russ and Diz, directors of strategic material.

Newcomers Paul McPherson, head football coach, and Harry Moore, athletic director, were behind us all the way. Along with William Sayers they mapped our strategy, held our confidence, and gave us the keep-fighting spirit.

MANCHESTER 0—INDIANA CENTRAL 13

Homecoming . . . We didn't give the alumni much to shout about. We were disappointed, too. Maphis and Bauer had been added to the list of injured. Our spirits were low. We just didn't have it.

LeRoy Brubaker

John Maphis

Eldon Ummel

MANCHESTER 0—FRANKLIN 8

We missed our fifth chance for victory as the Franklin Grizzlies played host to the Spartans by holding us scoreless. It was a seesaw battle with Franklin making a TD in the last seconds of the first half on an eighty-four yard run. We had regained some team spirit but couldn't produce a win.

MANCHESTER 14—HUNTINGTON 0

October 29 was V day for the football team as we chopped down the Huntington Forresters with a double TD margin.

Bowman and Maphis each managed to carry the ball across the goal line to finish second half touchdown drives. Rehard kept a perfect booting average by kicking his fourth and fifth consecutive extra points of the season.

Tony Petriella

Ben Haney

Jack Gillin

MANCHESTER 7—BALL STATE 50

The Ball State Cardinals put the lid on our hopes for an upset and got off to an early start by scoring two touchdowns in the first period. They sealed the victory by adding six more TD's before the end of the game. Frosh Supinger stole the show by spearheading an eighty-yard drive for our lone tally.

MANCHESTER 0—HANOVER 27

The Panthers of Hanover effectively locked us in the cellar of the Hoosier Conference as they walked off with first place and a bowl bid. In spite of the score, our pass offensive clicked better than it had all season, inasmuch as we completed eleven out of twenty-four.

Dick Piper

Ron Backus

Bob Bauer

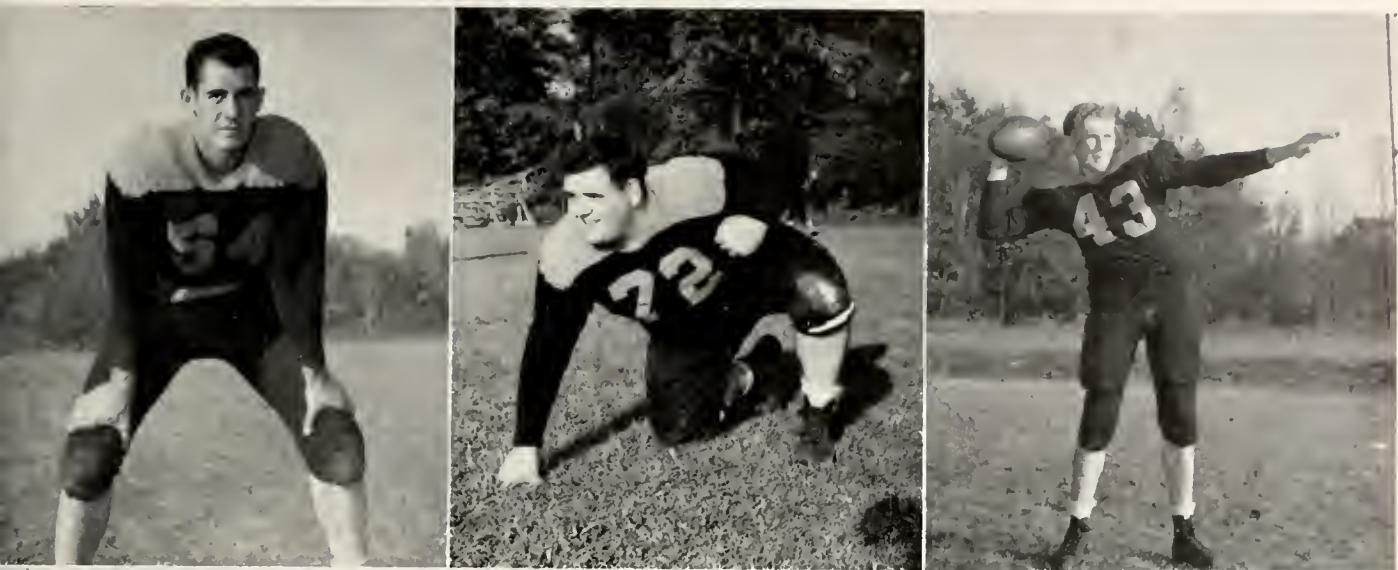

Before leaving the field we would like to recognize the eleven men who concluded their service in Spartan uniforms this year. Bob Walton and Wendy Maupin deserve special attention for missing only three quarters all season. Rick Reahard climaxed his collegiate football career by kicking through a perfect season. Hard workers were Tiny Egner, Ed Trexler, Bob Garwood, Don Hostetler, Dick Capin and Ben Haney. Last of all we congratulate our co-captains, Phil Enyeart and Jim Overholt.

CROSS-COUNTRY

Coach Harry Moore, director of athletics and physical education, announced that six harriers would be in line for cross-country awards. Those who qualified for letters were Max Brand, Ted Eilts, Frank Algate, John Blocker, Myron Kennedy and Bob Holcomb. Others who added much to our team this year were Dick Ward, Dick Grandlinard and Clyde Plouge. This year we won two out of six dual meets and placed seventh in the Hoosier College Conference Meet. The Spartans, meeting the top three teams in the conference in their first four meets, lost twice to Taylor, 49 to 15 and 40 to 15, once to Anderson, 50 to 15, and Indiana Central, 31 to 24. Our squad, which didn't have a single veteran from last season, downed Canterbury 21 to 34 and finally edged out Earlham 27 to 28.

BASKETBALL

Jumping off on a tough schedule this year, we lost the tip to Taylor on our first game, December 2, 68 to 64. This was an overtime loss with Windmiller scoring 18 points for the Spartans and Freshman Andy Jackson following with 11. But on the next evening at our first home game we looked pretty good in drubbing Indiana Tech by a score of 70 to 49. Piper started his annual scoring spree by dumping in 20 points. Then after capturing the Taylor Tourney we met defeat on our own floor. The meeting of the cold Knights from Canterbury with our frigid five resulted in an icy overtime score of 40 to 38, Canterbury.

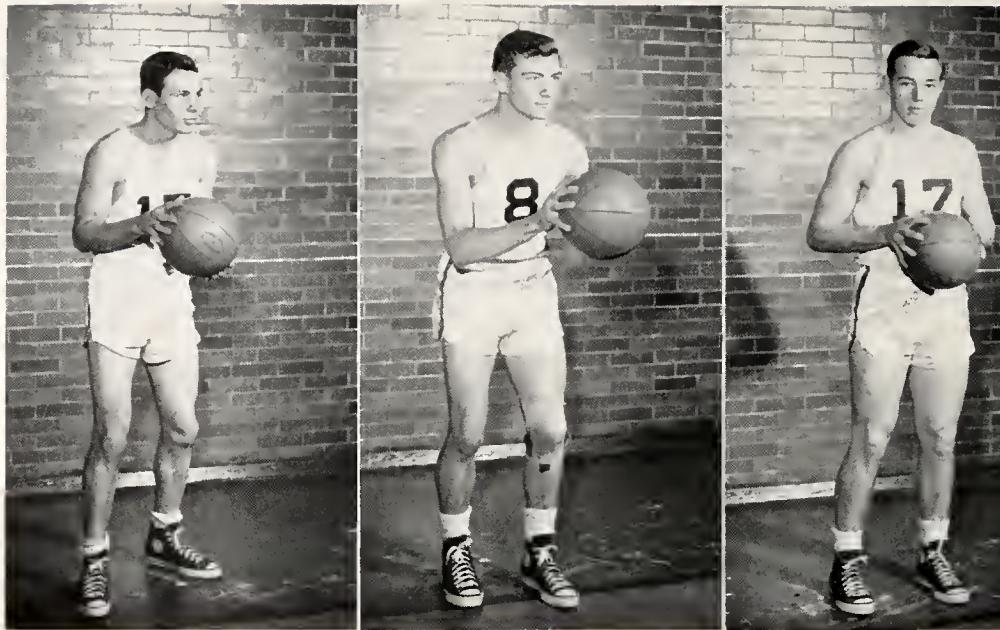

When we went to Western Michigan on December 14, we were topped by a towering team of smooth workers by a 66 to 51 score. In our sole holiday game we had a repeat of the previous game in Michigan at Dayton University in the Buckeye State. In our 66 to 51 loss to this outstanding team, Piper scored 21 points and was highly praised by the local papers.

Row 3: Gary Nelson - manager, Dick Piper, Carl Sands, Bob Bauer, Coach McPherson

Row 2: John Fruth, Art Windmiller, Don Lozier, Lavern Myers, Phil Enyeart

Row 1: Andy Jackson, Rodrick Rolston, Bob Irick, Jerry Brandts, Ted Elts

At Hanover Taff and Collier pooled their shots for a total of 53 points against our equally hot Dick Piper who scored 26. Result Hanover 88, Manchester 74. We broke a four game losing streak on January 10 by giving the visiting Rose Poly Engineers a 71 to 56 short circuit. Andy "the Cat" Jackson looked good that night by scratching out a 13 point individual score.

Although we had a hot first half with Indiana Central the following Saturday, in the long run we lost out to the Greyhounds 71 to 55. The next game we gave the Franklin Grizzlies more than they could bear by surprising the experts in a 57 to 50 Hoosier Conference win. Piper poured in 23 points with McKee's 13, second.

We picked up our seventh win of the season at Rose Poly, 79 to 61, with Piper again high and Sands next in the scoring column. In the next game on January 28, former Ball Staters, Carl "Moose" Sands and John Fruth starred along with Jackson in turning the tables on the Cardinals with a 66 to 63 upset. Fruth was high point man with 19 and Jackson's 17 was second.

We tried hard against Valpo's giants on Groundhog Day and had tough luck at Anderson two days later—lost the two games 67 to 51 and 75 to 65. Maupin looked good against Earlham and Piper aided his 19 point per game average with a 25 point tally. The Quakers failed to fight back as we won easily 84 to 45. On February 14 Canterbury jinxed us again with a 66 to 60 setback. This was followed by the heart-breaking Hanover loss which was decided in the last thirty seconds of the game. Sands was high point man and Lozier proved to be a capable substitute.

Before the final season gun had sounded we played a return game with Ball State and took on Indiana State on our own floor. Results—Manchester 66, Ball State 73; Manchester 58, Indiana State 62.

In order to give us upper-classmen who are possible candidates for the varsity team a chance to keep in shape, the members of the B Squad have practiced diligently during the year. With Harry Moore as coach we have played the freshman team, independent teams and intramural teams.

THE B SQUAD

In order to gain experience and training for possible utility in varsity service, under the leadership of Coach Phil Enyeart we have scheduled several games with freshman teams from other schools, independent teams and intramural teams. Although subject to sudden promotion or demotion, we have managed to keep a fairly consistent team throughout the year.

Ours was the privilege of forming the most complete track team ever sported by Manchester College. Paced by stellar Dick Sellers we placed high in several dual meets as well as in others. Our lone victory came at the expense of Earlham on the Wabash track. Besides Sellers, who won both the mile and two-mile at the conference meet and the two-mile at the Little State Meet, outstanding performers were Ed Kalb, Ben Haney and Max Brand who swept first, second and third in the half mile several times; Roger Lantz, Jack Davis, Ed Kalb and Graydon Snyder in the mile relay; Johnny Garver in the pole vault; Glen Bryant in the shot put; and Bob Walton over the hurdles.

TENNIS '49"

In racking up a successful season the MC tennis men netted six wins against three losses in regularly scheduled activity. Led by veterans Bob Bergstrand and Dean Whitehead we defeated teams from Anderson, Huntington, Taylor and Purdue Extension, while losing to the Ball State and Anderson clubs. To complete the '49 tennis squad Coach William Sayers added newcomers John Horning, Dick Shirky, Marlin Weaver, Herb Erbaugh, Don Collins, Bernie Blough and Dennis Rupel.

GOLF '49'

Teeing off on a relatively unexplored course for Manchester athletes, we tried to leave a record which would indicate to the Manchester Community that golf should be a recognized sport. Although paying practically all expenses from our personal funds, we came through the season undefeated with victories over Taylor, Culver Military Academy and Purdue Extension. The Brubaker brothers accounted for three-fifths of the team with Stinebaugh and Bennett completing the group.

CHEERLEADERS

At the beginning of the year we were given the ponderous mission of propagating morale at all football and basketball contests. Realizing the difficulties involved in such an assignment, we called on our great Swami sorcerer, Spartanini alias Clyde Alban. Although Spartanini was behind rather than on the ball, we endeavored to keep campus spirit high with pep sessions, campfires and snake dances.

Respectfully submitted,

INTRAMURAL SPORTS

The purpose of men's intramural sports is to give the male population of the college community a chance to participate in competitive sports. Response to this program is high and often over fifty per cent of the student body is involved in some type of activity. We have promoted organized athletic competition in six-man football, basketball, volleyball, bowling, softball and track.

TAYLOR TOURNEY REPORT

One of the outstanding athletic events of the year was the capturing of the Taylor Basketball Tournament at Upland by our basketball team for the second consecutive year. In the final game the Spartans upset Taylor 67 to 61 which reversed a 68 to 64 overtime loss suffered by our representatives one week before. In order to get to the finals our men had to register victories over both Concordia and Huntington. As a result of these wins the trophy pictured on this page was given to the team.

ORGANIZATIONS

Endeavoring to promote better speech and to honor those who have attained success in debate or forensics, the local chapter of Tau Kappa Alpha, honorary speech fraternity, offered to Manchester students a variety of activities. We sent representatives to the TKA Congress at Purdue and also to the University of Kentucky for the National TKA Congress. Guests at the Homecoming tea heard a mock debate.

Memorable in any year's TKA program is the initiation of pledges into the organization. Pledges must have received recognition in forensics and have a scholastic index that places them in the upper one-third of their class.

OMEGA**

In order to recognize those students who have earned achievement in the field of dramatics, Alpha Psi Omega has continued to add to the cast of members throughout the year those who have become eligible for membership in the national honorary dramatics fraternity. Outstanding in the year's activities were the initiations of Alpha Psi candidates. We can promise any pledge a week of humility, service and examinations climaxed

with a day's characterization of a fictitious or real person. In addition to the initiation activities we try to produce some plays presented by the most experienced dramatics students on campus.

TRI ALPHA

"One Foot in Heaven" . . . "Family Portrait" . . . There's no business like show business. We entertain ourselves by entertaining others. Besides producing these major productions, we were occupied at our biweekly meetings with the presentation of one-act plays by various members. The production of these various dramas gives our members a chance for practical experience in the fields of costuming, make-up, producing, stage management and other activities.

In addition, we don't disguise the fact that we're proud of our costume room which was started by Sadie Wampler many years ago. A permanent cast of characters in the Tri Alpha for the year was president, Jack Ruff; vice-president, Betty Lou Hershberger; secretary, Shirley Williams; treasurer, Norma Lou Barnhizer; faculty sponsor, Eleanor Yinger.

MU PI SIGMA

The purpose of our program is to promote interest and provide mutual fellowship for all those interested in physics. We also have attempted to enlighten the rest of the student body by providing a special bulletin board and producing an informative chapel program. Our chief is Denver Ulery and his first assistant is Bob Wilcox.

Big brother to the Mu Pi Sigma is the Sigma Pi Sigma, a national honorary society for those who are thus inclined and

can make the grade. Dr. Morris sponsors both organizations. Among our best known achievements are the displays and floats which we have produced for May Day and Homecoming. Other projects have been field trips, measurement of the earth's rotation by the Foucault pendulum and a demonstration for the high school teachers' convention.

SKATE CLUB BASIC SECTION

In order to accommodate those who have great interest and skill in skating and to provide instruction for beginning skaters, we offered a well-rounded program to the skaters of the Manchester Community. The Skate Club formed two sections in order to oblige the large number and to give more appropriate training and practice; the basic section met on Friday afternoons in the girls' gym, and the advanced section met in the same room on Monday evenings.

Among the activities sponsored were frequent all-school skates, out-of-town parties and other parties in the gym. Outstanding in our list of achievements was the production of the Roller Revue, an annual event in which the entire club participates . . . hockey, clowns, stunts, and demonstrations of waltzes, the fox-trot, two-step and various other steps—all on wheels.

CLICK CLIQUE

Although we are a new club with few achievements, the Click Clique has developed into an active society. With the help of Professor O. W. Neher we have had instruction on the taking of pictures, dark room techniques and other photographic fundamentals. Intending to promote an interest in photography as a hobby, we met every other Tuesday evening in the biology lecture room.

Chief photographer W. F. Meitzler was

in charge of the meetings while Kaiser Cheng took over in case of double exposure. We have established our own dark-room in the biology building along with interesting displays of pictures and scrapbooks prepared by our own members. We intend to enlarge our scope of projects in future years.

FUTURE TEACHERS OF AMERICA

In our meetings on the first and third Mondays of each month, lesson plans have included craft demonstrations, experience in dramatics, educational movies, outside speakers and panel discussions. Also undertaken at these meetings has been the planning of the book fair, all school ice cream social and our responsibilities as hosts at the annual High School Conference.

Our national pre-professional organization has offered to the members of the Manchester Community an opportunity

to acquaint themselves with the teaching profession as well as to encourage those interested in entering the teaching field. We consider it no accident that our organization with a membership totaling over 150 is one of the largest on campus. Paddle-wielders for the year were Bob Stoner, treasurer; Rose Carter, secretary; Jean Richardson, vice-president; and Dr. N. N. Leasure, faculty sponsor.

MEN'S GLEE CLUB

Really coming into our own this year, we made frequent chapel appearances and got off campus for other programs. Everyone knows that stout-hearted men can't be beat—especially when it comes to four-part music for male voices. So Oklahoma Kennedy fed it to us and we tried to give it to him.

Operating with a membership of about

sixty men, we shouldered our share of responsibility for the "Messiah" and opera performances. Looking for money all year was our treasurer, Don Detrick, while vice-president Bernie Blough furnished plenty of moral support.

STRING SYMPHONY

The String Symphony strives to offer a superior program to those members of the community who are interested in either producing or hearing string music. During the year we appeared in two formal concerts.

The Winter Concert, which was held on January 6, 1950, in the college auditorium, featured Carl Shultz and Dorothy Smith as soloists playing the second and third movements of the "Concerto for Two Violins and String Orchestra" by Bach. The String Quartet, composed of Mr. Shultz, Miss Smith, Carole Shultz and Donald Detrick also presented "Allegretto" by Mozart and "Bourree" by Bach.

In addition the String Quartet has played for many high schools, church and civic groups, and it appeared in formal concert at Bethany Biblical Seminary in Chicago on December 3, 1949.

A CAPPELLA CHOIR

We, the members of the A Cappella Choir, have endeavored to bring to our hearers the best in choral literature. Under the direction of Professor Kennedy we have performed both secular and sacred music, accompanied and a cappella. Besides causing occasional disturbances in chapel, we appeared in programs at some of the local churches, conferences here on campus and at churches in surrounding communities.

Climaxing the year's activities was our annual spring tour during Holy Week. On the tour we visited over a dozen churches in the Indiana-Illinois-Michigan areas. Sandwiched in our schedule of eating, riding and singing were our performances for many high school audiences.

Although we tried to convince our listeners that the choir is a group of talented, mature singers, we count among our year's accomplishments other fortissimos. With our singing chime tower, we managed to win the Homecoming display contest . . . Characters came into their own at the dress-up party . . . We learned to make split second decisions, hit high F's with ease and avoid colds.

Officers for the year were Bill Norris, president; Martha Reynolds, vice-president; Dave Amstutz, treasurer; and Martha Witt, secretary.

VARSITY BAND

A football game wouldn't be complete without an exhibition of marching and playing skill by a band. And a necessary component of any basketball cheering group is a pep band. At least, that's what we members of the Varsity Band believe. Besides executing stimulating music for sport events, we also presented a concert

on February 24. This concert featured the trumpeting of Gene Porter, Marion Hopkins, and Dick Coffman. Anticipated every spring is the annual outdoor twilight concert. Also, members of the band were active in band clinics held during the year.

CHORAL SOCIETY

On December 11, 1949, in keeping with Manchester tradition, the Choral Society presented Handel's great oratorio, the *MESSIAH*. However, for the first time, with the exception of a few solos, we performed the entire oratorio. In order to do the complete work it was necessary to divide the program into two sections, with Part I being given in the afternoon and Parts II and III following in the evening.

Professor Arthur W. Kennedy directed the choral group which was accompanied

by Mrs. Genita Speicher at the organ and by the North Manchester Civic and Manchester College Symphony Orchestra. Soloists were Martha Reynolds, soprano from New Paris, Indiana; Mary Jo Turner, contralto from Auburn, Indiana; and Emmit Hatch, bass from Fort Wayne, Indiana—all students at Manchester College. The tenor soloist was Robert Harris from the American Conservatory of Music in Chicago.

STUDENT MINISTERS

Upon the dissolving of the Student Christian Union last spring the Community Council chose us, the members of the Religious Life Committee, to study other possibilities for organizations and at the same time maintain a religious program on the campus. Although we didn't set up a new organization, we attempted to better integrate the college community and at the same time provoke thought through the presentation of the Laubach Conference Christian Living Emphasis Week, the Courtship and Marriage Conference and the Politico-Religion Conference.

Interspersed among these conferences were bull sessions, programs, discussions and other campus activities which we initiated. We also sponsored the campus wide drive for the World Student Service Fund.

MISSION FELLOWSHIP

The Religious Life Committee attempted to bring about better cooperation among the various college religious groups and their programs. Among these groups were the Sunday School, the Brethren Youth Fellowship, the Methodist Student Movement, the youth group at the Evangelical United Brethren, the Mission Fellowship, a number of fellowship cells, the group in charge of evening worship, the student ministers, and deputations.

A large part of the interest in religious ideas during the past year has been due to the outstanding speakers and resource leaders brought to the campus by the college. A sizable increase in chapel funds by Mrs. Calvin Ulrey helped the chapel committee to bring to Manchester such nationally known leaders as Frank Laubach, Norman Vincent Peale, Gaston Foote, Harry Cotton, Congressman Walter Judd, Bishop Bromley Oxnam, Sherwood Eddy and Harold Bosley.

Through the Religious Life Committee Dr. Bernard Clausen was secured for the Christian Living Emphasis Week; Mrs. Evelyn Duvall led the Courtship and Marriage Conference. Between these conferences T. Wayne Rieman, Ercell Lynn, R. H. Miller and other professors offered stimulating counsel.

Several organizations on campus afford the student an opportunity to serve others or in other ways express his religious convictions. One of the more active groups is the deputation department which sends "dep" teams to various churches throughout the Central Region. Another organization is the Student Ministers who sponsored a community book drive.

The Sunday School has stimulated many

lively discussions and has also worked in Christian Service Projects. Smaller groups such as the C. B. Y. F., the M. S. M., the E. U. B. F. and the Mission Fellowship have worked on smaller group services such as visitations and the sending of aid to foreign countries through various projects. On a more personal level have been the cell groups and evening meditation group.

MAY DAY

The Gay Nineties, theme of 1949 May Day, moved in on the Manchester Community as the first official activity after the acceptance of Community Government here. We began the gala two-day celebration with inter-class activities on Friday afternoon, May 6. This was followed in the evening by the Butterbaugh-Durnbaugh production, Vodvil Varieties.

Winner in the float contest the next

morning was the old-fashioned barbershop. Later Anna Mae Ehrmin was crowned Queen of the May. We continued the festivities with a picnic at noon, double-header baseball in the afternoon, formal dinner and the appearance of the Legend Singers in the evening.

CAMP MACK OUTING

Although rain opened the day of the eleventh annual trek to Camp Mack, it didn't dampen the spirits of 450 students and faculty members who joined the mass exodus from Mc's campus. Due to the rain we could not announce the winner of inter-class competition, but we discovered that this didn't throw cold water on a good time.

BREAKAWAY

Ours was the duty to break the campus away from tradition and give all girls the chance they had been waiting for all their lives. We gave them the opportunity to get dates for lunch, the football game and the famous Shmoo-guess-board followed by a "sock-hop".

THE BREAKAWAY COMMITTEE

Homecoming . . . October 15 . . . We planned a full day's schedule of events to honor visiting alumni and to entertain the student body, faculty and friends. Friendliness was stressed as the theme which the organizations should use in making their displays.

HOMECOMING . . .

First on the judges' list of displays was the singing chimes tower of the A Cappella Choir. The day's program included the annual Aunt Jemima Breakfast, alumni program and football game climaxed with Tri Alpha's "One Foot in Heaven".

"FAMILY PORTRAIT"

On May 13 and 14, 1949, we of Tri Alpha presented "Family Portrait" by Lenore Coffee and Joyce Cowen. The play elaborated in terms of an ordinary family, which speaks as we do today, the story of the family of Jesus. The theme was taken from the Bible, Mark 6:4; "A prophet is not without honor but in his own country, and among his kin, and in his own house."

We will long remember Barbara Stutsman's splendid portrayal of Mary, Danny Priser as Simon, Jim Overholt as Joseph,

and Merlin Shull's playing of James. Others in the twenty-nine member cast were Frances Castleman, Nan Groff, Virginia Sellers, Kathleen Rarick, Betty Lou Hershberger, Norma Lou Barnhizer, Bill Pettit, Dean Lehman, Joe Armstrong and Johnny Holl. Prof. Milton Bohard directed "Family Portrait" and with the aid of Mark Weaver, chairman of the stage committee, produced the play which required extensive staging.

THE TRI ALPHA

"ONE FOOT IN HEAVEN"

From the number of people who tried out for the cast of "One Foot in Heaven", we felt that Bob Garwood best fitted the role of Rev. Spence, father and minister, who had more troubles with his kids than he did with his parishioners. Equally adaptable was Betty Lou Hershberger in the role of Mrs. Spence, moderator at all family quarrels and general dispatcher of peace.

The two children, Eileen and Hartzell, were portrayed by Gloria Walton and Don

Schultz. Hartzell in particular was very adept at getting into trouble, and with the appearance of Janice Hoff as Louise and Gene Porter as Ronny, he hopelessly complicated the entire plot. The play was cleverly written and full of laughs, yet we felt that the story as a whole was inspiring to the large crowd of Homecomers who witnessed the first Tri Alpha production of the year.

THE TRI ALPHA

"JULIUS CAESAR"

For the second consecutive year we were able to obtain the services of the Margaret Webster players in one of their typically great Shakespearean productions, "Julius Caesar". Starring in the cast were Frederick Rolf as Caesar, Kendall Clark as Mark Antony, David Lewis as Brutus, and Louisa Horton as Portia. Larry Gates' portrayal of Casca and the portrayal of Cassius by John Straub were also well received.

Different in this performance was the modern dress exhibited by the cast, but strictly in keeping with Shakespearean fashion were the quick scene changes made without closing the curtains. We were indeed happy to have had the opportunity to present this outstanding group to the community as part of the Lyceum program.

THE LYCEUM COMMITTEE

"MARTHA"

On February 3 and 4 we presented to the Manchester Community something extraordinary in the way of student-produced entertainment. Under the direction of Mr. Arthur Kennedy the combined choral groups and Tri Alpha staged Von Flotow's opera "Martha". The artistic stage setting, orchestra and gaily costumed choruses of farmers, hunters, huntresses and servant maids formed appropriate backgrounds for the excellent performances of the leads.

Adding comedy to both performances were Wesley Simmons as sheriff and

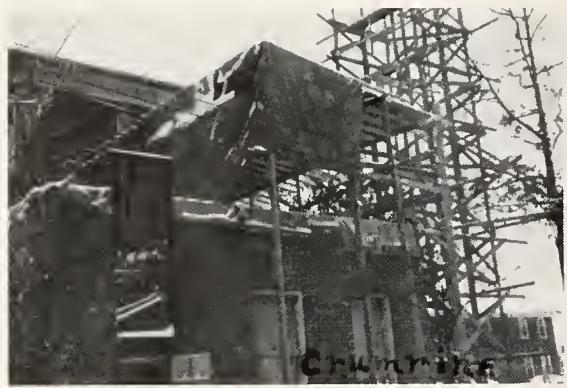

Richard Ober in his interpretation of Sir Tristram. Deserving special thanks along with Prof. Kennedy for the success of the opera were leads Cosette Will, Jean Smith, John Bechtelheimer, Jack Hartman, Virginia Smallwood, Martha Reynolds, Paul Beach and Ronald Walton who kept us singing such tunes as "None So Fair" and "The Last Rose of Summer".
